Direct: 816.691.2665

Office: Kansas City

Charles works to deliver strategic support with every transaction so clients can advance their business goals.

Charles excels in assisting on complex corporate finance matters such as mergers and acquisitions, corporate governance and securities transactions for both privately-held and publicly-traded companies. He is skilled at crafting crucial legal documents and due diligence for matters such as asset and stock purchases, recapitalizations and private placements.

EXPERIENCE

Charles' experience includes assisting on transaction teams involving a broad range of companies, including the \$18 million Regulation D private placement for a real estate investment firm and \$9 million sale of an engineering firm. He served as the sole associate contact on an \$8.5 million asset sale of a business in the green energy sector to a multistate energy company. He also coordinated all state-level filings for a \$38 million sale of a technology company.
