Direct: 816.691.2622

Office: Kansas City

Colin fosters strong client relationships to grasp their unique challenges and offer informed counsel for both short- and long-term success.

Colin litigates construction, commercial and insurance disputes on behalf of general contractors, subcontractors, developers, suppliers and landowners. He develops and executes tailored discovery and trial strategies for each client, collaborating with industry experts to achieve optimal outcomes, whether pursuing or defending claims.

Beyond litigation, Colin helps clients protect their interests and bottom line through arbitration and other alternative dispute resolution methods. He also drafts, reviews and negotiates prime agreements, lien waivers and other construction-related documents to mitigate risk and prevent disputes.

Colin has significant experience handling mechanic's lien claims in Missouri and Kansas. He successfully pursued and resolved numerous lien disputes, including a large-scale matter where he secured full payment plus attorney's fees and interest for his client by strategically placing a lien on an entire platted development of 84 distinct parcels.

Colin's deep industry knowledge allows him to effectively navigate complex issues and assist his clients with expanding their business. His background as in-house counsel and project
