

Gabriel Holloway

PARTNER

gabriel.holloway@stinson.com

Direct: 612.335.7083

Office: Minneapolis

Gabe helps emerging and established technology companies strategically innovate and protect valuable IP. He helps clients manage risks stemming from developing and acquiring technology solutions.

Gabe applies his problem-solving abilities and technical know-how to develop winning strategies to protect IP and successfully integrate new technology companies and assets.

Gabe leverages his knowledge of computer science and software development to help companies identify and manage risks in technology transactions and maximize their return on investment. He advises clients on technical due diligence, copyright, security, regulatory issues and deal structure. His background and experience allow Gabe to understand the business drivers underlying technology transactions as well as technology development and integration.

EXPERIENCE

A trusted advisor in the arena of technology acquisitions, divestitures, and transfers, Gabe helps clients across various axes derive maximum value from their IP assets and bring innovative tech solutions to market.
