

Maria V. Jimenez

TECHNOLOGY PROFESSIONAL

maria.jimenez@stinson.com

Direct: 314.345.7081

Office: Wichita

Maria is equipped to help clients take their innovative intellectual property to the next level.

Maria assists with patent application filing, examination, portfolio management and other critical safeguards that protect clients' intellectual property.

EXPERIENCE

Prior to joining the firm, Maria assisted with patent applications at the Office of Tech Transfer and Commercialization at Wichita State University. Maria also worked as a technical advisor intern at a Texas law firm where she assisted on numerous USPTO office actions, and interned for a boat manufacturing company where she directed boat production process improvement initiatives.
