

Robert L. Bollier

He/Him

ASSOCIATE

robert.bollier@stinson.com

Direct: 816.691.3206

Office: Kansas City

Robert understands the science behind his clients' businesses, utilizing his engineering background to maximize vital intellectual property assets.

Robert enjoys collaborating with clients to find effective solutions to sophisticated intellectual property & technology matters. His first-hand experience in engineering allows Robert to meet clients on their level, working closely to boost value and mitigate risk.

Before joining the firm as an associate, Robert worked at Stinson as a summer associate where he worked on diverse patent and trademark protection projects.
