

Rosston (Ross) Eubank

ASSOCIATE

ross.eubank@stinson.com

Direct: 816.691.2735

Office: Kansas City

Ross is dedicated to helping clients achieve their intellectual property goals. A former software developer, Ross offers unique real world insight to assist in patent prosecution.

Ross has experience drafting responses to United States Patent and Trademark Office regulatory actions and analyzing legal issues for *Inter Partes Review*.

Ross also gained valuable experience as a legal research intern for the Kansas Court of Appeals, where he drafted summary dispositions and proposed opinions, and researched and drafted prehearing bench memorandums.
