You are invited to join Stinson at the commemorative 35th Annual Construction Law Update on Tuesday, March 5. This program will cover important case law updates affecting the construction industry, feature a general counsel roundtable discussion and address the history of legal changes within the construction industry.

This year's event will be presented in person at our Minneapolis and St. Louis offices. If you are unable to attend in either of these locations, on the [registration page](#) you have the option to watch a broadcast of the event at our Denver and Kansas City offices.

GENERAL COUNSEL ROUNDTABLE

[Dwight Larson](#), Partner at Stinson LLP, will moderate a discussion among general counsel from across the industry on what they consider to be topics of concern for their organizations and for the industry at large. Expect a wide-ranging discussion. The participants will be:
