

## 2025 Business Taxation Update

### Webinar

10.23.2025 | 11:30 a.m. - 2 p.m. CT

Stinson LLP, in partnership with KPMG, invites you to the 4th annual Business Taxation Update webinar on Thursday, October 23. We'll cover business, international and individual tax issues, as well as state and local tax and tax credit matters.

In light of President Trump's July 4, 2025, signing of the One Big Beautiful Bill Act—legislation that averts the end-of-2025 "tax cliff" and includes extensions, new items, and revenue-raising measures—professionals from KPMG and Stinson will dive into the act's impact and highlight key considerations businesses should address now to prepare for these changes.
