

Contract Training for Financial Institutions

Webinar | In-House Counsel Financial Services Seminar

02.14.2023 | 11:45 - 1 p.m.

Rather than focusing on any single type of contract, this general purpose presentation will unveil the mysteries of legal drafting and provide a framework for assessing any legal contract. The discussion will include tips for how business and legal teams can coordinate for best practice contract review, an overview of regulatory guidance on third party vendor arrangements, and recent trends in indemnification.

Please register online by Tuesday, February 7.
