

Fall Construction Seminar

Seminar

11.15.2022 | 10 a.m. - 12 p.m.

1201 Walnut Street, Suite 2900, Kansas City, MO 64106

The Fall Construction Seminar will address the latest trends, topics and laws affecting the construction industry—from supply chain issues to mechanic’s liens. This year’s event will be hybrid with attendance in Kansas City and virtually across other locations. There will be refreshments and breakfast snacks available for in-person attendees. Topics will include:

- Don’t Lien It to Chance
- Responding to Cost Escalation and Supply Chain Issues
- Concepts in Drafting and Negotiation of Construction Contracts
- Infrastructure Investment and Jobs Act – Is it “déjà vu all over again” or something different?
- Why Should You Care About Waivers of Subrogation?

Register to attend in person at our Kansas City office or via webinar.
