

Midwest GRC Roundtable

Webinar | A Global Geopolitical Risk Discussion

09.15.2020 | 11:30 a.m. - 1 p.m.

Event Sponsor: Sponsored by Stinson LLP and KPMG LLP

Please join us for a virtual Midwest GRC Roundtable discussion with [Alex Kazan](#), [Eurasia Group](#) Managing Director of Global Strategy, followed by a panel of leading industry professionals to address the following topics:

- The global outlook for a pandemic response and recovery: U.S., Europe, Asia and key emerging markets
- Outlook and implications of U.S. elections
- Geopolitical risk and its impact on global business

Alexander Kazan, Managing Director, Global Strategy, works closely with the world's biggest companies and investors to help them understand, anticipate, and plan for geopolitical change. As a speaker, he frequently addresses management teams, boards, investment committees, and global conferences about geopolitical developments and their impact on business and the markets.

This will be an informative session you wouldn't want to miss. Join us and come ready to share your experiences and ask questions.
