Webinar | The Brave New World of Merger Enforcement
09.28.2023 | 12 - 1 p.m. CT

WHAT TO EXPECT AND HOW TO PREPARE

Each day seems to bring new headlines about mergers that the government is challenging, often under novel legal theories. While courts around the country have rejected many of these challenges, the government has responded by changing the information that merging parties have to provide the FTC and DOJ in their pre-merger notification filings and changing the guidance on how the agencies will evaluate mergers.

This webinar, on Thursday, September 28, will explain some of the key proposed changes, and provide practical guidance on how to prepare for these changes.

CLE credit is pending in the following states: AZ, CO, FL, KS, MN, MO, NE, NY, TX and VA.
