

## GRC Roundtable - Minneapolis

Firm Events | Generative AI Risk and Rewards

10.04.2023 | 8 - 10 a.m.

Interlachen Country Club

6200 Interlachen Blvd., Minneapolis, MN 55436

As AI is integrated into business processes and systems, legal and risk concerns become paramount. At our next GRC Roundtable, we will host a panel of professionals from KPMG and Stinson who will be discussing the impact Generative AI is having across businesses, the legal landscape and outlook, as well as governance, risk and control considerations to ensure you are building an enterprise structure, process and controls that support trusted AI practices.

Please register to attend by Wednesday, September 27. If you have any questions regarding this event, please [let us know](#).
