

Payments Law Update, Hot Topics and Trend Outlook for 2025

Webinar

10.08.2024 | 11:45 a.m. - 1:00 p.m. CT

In this presentation, we will explore the evolving landscape of U.S. payments law in 2024 and take a look down the road ahead to 2025, in light of rapid technological advancements and regulatory challenges. Key topics will include an overview of the potential impacts of new legislation and regulations enacted or finalized in 2024, combined with continued innovations in real-time payments, open banking, digital wallets and AI-driven financial and compliance tools. We'll update the audience on the continued focus of regulators on relationships between banks, FinTechs and other nonbank players in the payments ecosystem. Clients will also leave this 75-minute session informed of the current trends we are seeing in this fast-paced and ever-changing space, with our predictions for 2025.

CLE credit is pending in the following states: CA, CO, FL, KS, MN, MO, NE, NY & TX.
