

## Preparing for and Managing a Dawn Raid

Webinar

03.20.2025 | Noon - 1 p.m. CT

This webinar will provide information about protocols and checklists that should be in place in case of an unannounced search of corporate offices by U.S. authorities. Even if a company has done nothing wrong, a dawn raid can create significant risk due to an ineffective response.

Stinson attorneys will cover which authorities can carry out dawn raids, what powers these authorities possess, and how to best prepare your company with an effective plan should a dawn raid take place.

*CLE credit is pending in the following states: AZ, CO, FL, IL, KS, MN, MO & NE, TX & VA.*

Register online to attend this event.
