

The Impact of AI in the Legal World

Firm Events

05.01.2024 | 2:00 - 5:30 p.m.

Stinson LLP

7700 Forsyth Boulevard, Suite 1100

St. Louis, MO 63105

Join Stinson LLP on Wednesday, May 1, for The Impact of AI in the Legal World, an in-person, interactive discussion of artificial intelligence issues that impact business owners and organizations. This conversation will explore the most common issues that arise for businesses using AI and dive deep into this emerging technology with real-world examples.

We hope you can join us in our St. Louis office as our panel of speakers discuss current legal issues in AI and how to best position your business to take advantage of new tools without exposing yourself to liability. Our subject matter experts will discuss AI concerns and strategies in various applications, including:

- Business Law
- Antitrust / Competition
- M&A / Corporate Finance
- Intellectual Property
- Employment Law
- Litigation

Please [register online](#) by Wednesday, April 24, 2024. We look forward to seeing you at this in-person event.

CLE credit is pending in the following states: IL & MO
