

## Andy Davis Discusses Transgender Rights Victory in *Minnesota Lawyer* Profile

In the News

07.07.2021

Partner [Andy Davis](#) was recently featured by *Minnesota Lawyer* in its "Breaking the Ice" section. He discussed his reasons for studying law, biggest inspirations and favorite aspects of his practice. Also highlighted is his recent victory in a landmark transgender-rights case, in which the Minnesota Court of Appeals affirmed a transgender student's right to use a locker room that aligned with his gender identity. In the article, Andy stated that he is "proud to be part of a case where justice is served." Andy and Stinson Partner [Tim Griffin](#) were recently honored with the [2021 Excellence Award from the Hennepin County Bar Association for this victory](#).

Andy represents a diverse array of clients in complex litigation and regulatory matters in the areas of environmental, energy, and transportation law. His practice includes managing large litigation teams in multi-party matters involving complex scientific evidence, document management and e-discovery issues, and expert witness teams.
