

## Stinson Advised on Thousands of Patent and Trademark Matters in 2020

Press Release

02.25.2021

Developing intellectual property strategies to encourage innovation and growth remained a steadfast goal for Stinson's more than 40 IP attorneys in 2020. Coupled with an objective to maximize value and opportunity for clients, these goals became even more critical as companies responded to the unique economic challenges and healthcare crises of 2020.

In 2020, Stinson's IP attorneys prepared or procured for its clients:

- 1,026 filed patent applications
- 885 issued patents
- 724 filed trademark applications
- 478 registered trademarks

In addition, the attorneys are currently managing:

- 6,200+ active U.S. trademarks
- 8,300+ active international trademarks

"We are proud of the fact that we continued to be a go-to firm for clients in protecting some of their most valuable assets during a difficult and unprecedented 2020," said Jason Conway, co-chair of Stinson's Intellectual Property & Technology Division. "Our deep bench of distinguished patent and trademark attorneys were instrumental to our clients in achieving their business objectives. We look forward to continuing these successful partnerships in 2021 and beyond."
