

Stinson Ranked Second Largest Patent Law Firm in St. Louis Third Year in a Row

Press Release

05.12.2021

Stinson's St. Louis office was ranked as the [second largest patent firm in St. Louis](#) for 2021 by the *St. Louis Business Journal* for the third year in a row. Our patent practice includes preparation, prosecution and litigation. In 2020, our St. Louis office filed 935 patent applications and 852 patents were issued to clients.

Across our offices, Stinson has a number of registered patent attorneys and patent agents who are licensed to practice before the U.S. Patent and Trademark Office. We counsel our clients about the types of patent protection available and the circumstances under which each type of patent application is appropriate. Our skilled patent trial attorneys have extensive experience in every aspect of patent litigation for a diverse group of clients. Our cases range from complex multiparty, multi patent industrywide battles to smaller, less complex cases in which the issues and the proper business resolution can turn on one or two key factors.
