

Murdock Recognized by *Missouri Lawyers* as Top Managing Partner for Third Consecutive Year

Press Release

08.18.2025

Stinson LLP Managing Partner [Allison Murdock](#) is recognized on the *Missouri Lawyers Media* Top Managing Partners 2025 list.

The annual feature honors 23 managing partners across Missouri who are driving firm growth, strengthening talent development, and deepening community engagement while guiding their firms toward key milestones and achievements.

This is the third consecutive year Murdock has been selected for inclusion on the list, reflecting her ability to lead with vision while advancing Stinson's growth and culture. Under her leadership, the firm has expanded significantly, opening a new office in Tampa in 2023, launching a Los Angeles office in March of this year, and combining with Severson & Werson, P.C. in August to add two more California locations.

As managing partner, Murdock has ultimate responsibility for all aspects of the firm's operations and performance, including the development and implementation of the firm's strategic initiatives. Her focus is on leading and growing a client-centric and community-engaged firm.

Murdock's commitment to the firm's attorneys and staff fosters a culture of professional and personal growth. She prioritizes diversity and inclusion and well-being initiatives and has helped to elevate the firm and its client service while also continuing its commitment to pro bono work. Murdock also prioritizes associate and staff development, underscoring her goal of cultivating the firm's next generation of high-performing attorneys and dedication to the success of all individuals at the firm.
