

## Ziegler Helps Mittelstand Expand into U.S. Market with Launch of German Business Hub NYC

Press Release

02.14.2025

Stinson LLP Partner [Tobias Ziegler](#) is a founding member of the newly established German Business Hub NYC, an incubator aimed at supporting German small and medium-sized enterprises, known as the Mittelstand, as they enter and expand in the U.S. market.

The German Business Hub NYC offers essential market-entry services that connect German businesses with a network of professionals, including accountants, attorneys, customs advisors and insurance brokers, among many others. The Hub also provides guidance on legal, financial and regulatory matters, assisting companies and entrepreneurs in navigating the complexities of doing business in the United States.

“Expanding into a new market presents challenges, and the German Business Hub NYC offers businesses essential resources and guidance necessary to successfully navigate the U.S. market and establish growth,” Ziegler said. “This initiative unites experienced professionals who support companies at every stage of their expansion, and I am proud to witness it come to fruition.”

With a client base throughout Europe, in addition to clients from Asia, Latin America and the United States, Ziegler represents a wide range of businesses and investors in connection with mergers and acquisitions, divestitures, private equity, joint ventures and transactions involving the transfer of intellectual property and real estate. He has extensive experience in providing legal representation to start-up companies, particularly in the software and space-tech industries, from inception to exit. Ziegler frequently advises businesses and their executives on executive compensation, international taxation and immigration matters.

Ziegler maintains close relationships with numerous legal and financial firms around the globe and is a member of the Board of the International Business Group of Eurojuris International.
