

# Victoria M. Hlavinka

SCIENTIFIC ADVISOR

Victoria is a scientific advisor in the Vorys Houston office. She received her Ph.D. from the University of Houston and her research focused mostly on developing medical diagnostic techniques and biomolecular detection methods. While working on her doctorate, Victoria was a graduate research assistant and a teaching assistant.

## Houston

909 Fannin Street Suite 2700 Houston, Texas 77010

t: 713.588.7035 vmhlavinka@vorys.com

#### **Practice Areas**

Intellectual Property

**Patents** 

## **Education**

University of Houston, Ph.D., 2022 University of Houston, M.S., 2018 Texas A&M, B.S., 2016

### Notable skills:

- Computer skills include GraphPad Prism, OriginLab, ImageJ, AutoCAD, MATLAB, Microsoft Office
- Lab skills include human specimen handling, *in vitro* diagnostics, LFA, ELISA, PCR, 3D printing

She is affiliated with the American Association for Clinical Chemistry, American Institute of Chemical Engineers and Society for Biological Engineering

Victoria received her M.S. in chemical and biomolecular engineering from the University of Houston and received her B.S. in chemical engineering from Texas A&M University.

Victoria is not licensed to practice law in any state and does not provide legal services.
