Education

Syracuse University, B.S., 2025

Cheryl is a scientific advisor in the Vorys Washington, D.C. office and a member of the intellectual property (IP) group.

Prior to joining Vorys, Cheryl worked as a research fellow studying the impacts of AI and machine learning in facial recognition systems, with a focus on algorithmic transparency and social implications, including extensive research into neural networks and analysis of AI and machine learning algorithms.

Cheryl received her B.S. in computer science from Syracuse University.

Cheryl is not licensed to practice law in any state and does not provide legal services.
