Practice Areas

Litigation

Josh is a practice technology analytics manager in the Vorys Cincinnati office. He has almost 15 years in legal technology experience and is an active volunteer for the International Legal Technology Association.

Josh is a member of the International Association of Privacy Professionals and a Certified Information Privacy Professional/US (CIPP/US). He is a Lean Six Sigma White Belt, a Microsoft Certified Data Analyst Associate, and is certified by the Association of Certified E-Discovery Specialists (ACEDS) as an e-discovery executive. He also is certified in CompTIA Project+, ITIL Foundations, and completed the Professional Program in Data Science (Microsoft) and IBM Data Science Professional certificate programs. Josh has an associate of applied business in PC Support and Administration from Cincinnati State Technical and Community College.

Josh is not licensed to practice law in any state and does not provide legal services.
