5.21.2015

Vorys Partner Jim Thomas has been invited to present a CLE time management program at the 2015 Ohio Women's Bar Association/Ohio Women's Bar Foundation Annual Meeting on May 21. The program has been approved for 2.50 hours of professional conduct credits and will provide attendees specific tools for managing professional and ethical obligations of lawyers in a world of increasing demand on one's time. It also addresses the more difficult topic of goal setting and executing on that plan. Participants will have hands-on opportunities leading to a written plan as a takeaway at the conclusion of the program.
