### 11.12.2019

Vorys Partner Scott Ziance will be speaking at the 2019 Property Tax Symposium on November 12, 2019. The title of the breakout session is, "Unsung Hero No More – How a Property Tax Professional Can Add Demonstrable Value in a Tax Incentives Deal."

After attending the session, participants will be able to:

- Calculate the significant impact of a modest base value adjustment on a long-term TIF
- Structure PILOTs when there are significant variables or uncertainties
- Minimize value through reporting strategies and appropriate communications so that the post-abatement tax bill is predictable and manageable
- Apply school funding formula-related techniques to structure favorable arrangements
