SPEAKING ENGAGEMENT | 1.28.2025 | 8:30 A.M. EST

Following a brief introduction to the new Vorys Pharma Webinar Series, the panelists will discuss the most interesting and important decisions from the Federal Circuit in 2024 that impact pharmaceutical patent challenges and enforcement. The Panelists will conclude with a short description of cases currently in the queue and a Q&A session that will address questions received relating to the topics.
