EVENT | 9.10.2024

The Vorys Cincinnati Benefits Conference is designed and developed specifically for in-house benefits professionals. During this half-day program, the Vorys benefits team will provide networking opportunities and insights on topics such as: protecting personal data in employee benefits, Section 409A, responsibilities as a plan fiduciary and an ERISA litigation update.

A separate Columbus Benefits Conference will take place on September 25.

To learn more about each of the conferences, see the agendas and register, [click here](#).
