Vorys partner Mark Norman will be participating in the 20th Annual Business & Industry's Sustainability and Environmental, Health & Safety Symposium on March 29. His presentation, 'Going Green-The Tools and Resources You Need to Be Successful and the Legal Challenges You'll Face Getting There,' will discuss tools and resources for planning a facility-level sustainability program, obstacles and lessons learned when making a manufacturing operation "landfill free" and "legal considerations when a company goes green".

A seminar agenda can be found [here](#).
