Vorys Attorney Bill Ryan will be speaking at the Akron Inventors' Club at the Akron Library on February 13, 2020. Bill will discuss trademarks, trademark protection and how important this can be for an inventor or business owner. Did you know that the trademark for Coca-Cola is valued at over \$57 Billion? Your trademark can be the most valuable investment you make with your product or service. In this meeting you will learn how and why to do this.
