6.19.2012

Vorys partner Doug Matthews and Litigation Technology Manager, Julie Brown, will be presenting at the Columbus Bar Association's Corporate e-Discovery seminar on June 19.

Mr. Matthews will sit on a panel session discussing case assessment and ESI collection:

- Case "definition" – potential requirements
- Litigation Hold Process, Auditing
- Technology options available
- Self-collection vs. Outsourced collection
 - Understanding the case requirements
 - Determining form of Production requirements
- Preservation
- Record Retention

Ms. Brown will sit on a panel discussion regarding data analysis.
