2.7.2019

Vorys attorneys Eric Richardson, Jake Mahle, J.B. Lind, and Brent Craft will present to the Kentucky House of Representatives' Standing Small Business & Information Technology Committee on February 7. The presentation will include an overview of cybersecurity threats and trends, the practical steps for addressing a data breach, notification statutes and regulations, and an update on recent appellate decisions concerning the litigation of data breach claims. The presentation will also cover recent cybersecurity/data breach laws and regulations that have been enacted in various states and countries, including laws from Ohio, California, New York, and the European Union.
