4.23.2019

Vorys Attorney Robin Canowitz will be speaking at a webinar sponsored by the American Health Lawyer's Association on April 23, 2019. The webinar is titled, "Data Privacy and Cybersecurity Risk Management" and will discuss privacy and cybersecurity with a highlight on children, and how to appropriately manage these risks and respond to breach and security incidents. Topics of discussion include:

- Privacy requirements specific to children, including behavioral health and other sensitive information
- Risks faced by hospitals including children's hospitals (cyber-attacks and litigation)
- Risk analysis and gap analysis
- Best practices on managing risks and assessment
- Tips on how to respond to an incident
