Vorys partner Andy Kaplan will be speaking at the National Business Institute's Employee Documentation, Discipline and Discharge seminar on April 13.

Mr. Kaplan's presentation, 'When and How to Discipline or Discharge' will discuss, among other issues, how to proactively implement a discipline policy, what goes into a discipline or discharge letter, minimizing liability when discharging an employee, and the use of waivers and releases after termination.

Six CLE hours will be available.

More information about the seminar can be found [here](#).
