Frac Law: From Land Contract Negotiations to Environmental Disputes

2.19.2015

Vorys partner Phil Downey will be a speaker at Frac Law: From Land Contract Negotiations to Environmental Disputes CLE hosted by the National Business Institute on February 19, 2015. His presentation is titled *The Interplay of Federal, State and Local Regulations* and he will discuss the following:

- Provide a legislative update
- Recent EPA regulations and the FRAC Act
- Reporting requirements and disclosure rules
- State regulatory requirements and current issues
- Local regulations, requirements and issues (well-head and capping regulations, bonding requirements, road use maintenance agreements, etc.)
- Zoning and land use regulations
- Permitting application requirements
- Liability insurance requirements
- Mandatory pooling
