Whitney C. Gibson

3.26.2015

Vorys partner Whitney Gibson will be presenting a webinar hosted by Clear Law Institute on March 26, 2015, titled *How to Remove Defamation, Negative Reviews, and Other Damaging Content from the Internet*. He will explain the various strategies attorneys can employ to remove damaging content from complaint and review websites, embarrassing photos, negative new articles, court documents that appear high in search rankings, and de-indexing URLs containing damaging content from search engines.
