Energy, Utilities, Oil and Gas

10.30.2012

Vorys partner Jon Airey will be speaking at the Legal and Environmental Issues in Natural Gas Production Seminar on October 30, 2012. Mr. Airey's presentation, *Update on Permitting and Other Regulatory Issues for Oil and Gas Production Operations in Ohio* will focus on:

- Jurisdiction over drilling and siting
- Permitting process
- Water issues, including impoundments and a Great Lakes Compact Update
