Vorys attorney Chris Ingram will be a speaker at M-PACT 2016, an event targeted toward the Midwest's petroleum marketers/convenience store associations on March 24, 2016. His presentation is titled "Skimming the Surface" and will discuss the aggressive tactic used to illegally obtain consumer card data for fraudulent purposes, resources and tools available to retailers to proactively initiate and maintain effective payment security procedures that help reduce the occurrence of skimming and how to respond when a skimming device is detected.
