On August 15, 2018, Vorys Associate Jay Kelly will present in the Transportation Intermediaries Association's webinar, *Negotiating Customer Contracts: Assessing Your Risk Tolerance*. In this webinar, Kelly and his co-presenters will discuss common problems with 3PL contracts and the recent trends in customer contracts that expose a 3PL to greater risk. The group will also discuss how other customer documentation can help mitigate a 3PLs' risk.
