Litigation

10.31.2012

Vorys partner Philip Downey will be one of many presenters in the Litigation Basics seminar taking place October 31, 2012 in Columbus at the Ohio State Bar Association. The one-day seminar will provide substantive skills and teach the basics of civil litigation.

Mr. Downey will be speaking on the topic of *Direct, Cross-Exam and Impeachment*; how to examine a cross witness; handle a hostile witness; deflecting damaging testimony and attacking credibility.

For more information about the seminar or to register [click here](#).
