Whitney C. Gibson

6.2.2015

Vorys Partner Whitney Gibson will be presenting a webinar hosted by Clear Law Institute on June 2, 2015. The webinar is titled “Online Reputation and Brand Attacks” and will discuss methods business can use to protect themselves against the damage caused by online reputation and brand attacks, how business can prevent attacks, how businesses can respond if an attack occurs and how to legally influence search results and generate more accurate online reviews.
