Health Care

10.29.2018

On October 29-30, 2018, Linda Mendel will speak at the 29th Annual National Institute on Health and Welfare Benefit Plans. This conference will include an in-depth focus on employee health and welfare plans. Mendel is a program co-chair of the National Institute and will moderate the following sessions:

- The Nuts And Bolts: An introduction to ERISA welfare plans
- Mental Health Parity
- Group Health Plans vs. Health Care Providers: Understanding provider operations and relationships to construct a health plan that can deliver better care at a fair cost
- Association Health Plans - MEWAS And Other "Non-Single Employer" Plans
