With the recent decision from the U.S. Supreme Court largely upholding the constitutionality of the Patient Protection and Affordable Care Act (ACA), employers should be moving full speed ahead with efforts to comply with the law. To help our clients get a better understanding of the upcoming ACA mandates and compliance issues, Vorys will host a complimentary webinar on July 24 at 12:00 p.m. ET.

On the webinar, a panel of Vorys benefits attorneys will provide participants with an overview of employer-related mandates included in the law; important dates related to ACA reporting and compliance issues; and the penalty and fee structures that will be associated with non-compliance.
