7.27.2018

On July 27, 2018, Vorys attorneys Liam Gruzs and Mairi Mull will present at the Addiction Studies Institute. The pair will present, *Confidentiality of Patient Medical Records - 42 CFR Part 2 And HIPAA Update*. This presentation will provide an update on the recent changes to 42 CFR Part 2, which impact issues related to patient consent and sharing substance use disorder treatment records. This session will also give a HIPAA overview and explore the complicated relationship between 42 CFR Part 2 and HIPAA.
