Energy, Utilities, Oil and Gas

4.20.2015

Vorys attorney Jon Airey will be a speaker at the Energy and Mineral Law Foundation's Understanding Appalachian Basin Midstream Assets Special Institute on April 20, 2015. His presentation is titled "Regulatory Framework for the Midstream Sector." Jon will discuss the applicability of deferral and state laws to the midstream section, highlight the extent of the Federal Energy Regulatory Commission's jurisdiction to regulate natural gas pipelines and provide an overview of the authority of states to regulate midstream operations in Pennsylvania, West Virginia and Ohio.
