9.10.2020

Vorys Partner Mark Norman will join Hull & Associates Project Managers Lindsay Crow and Valerie Gill for an insightful webinar about recent U.S. and Ohio EPA policy changes on Vapor Intrusion and the implications for the commercial and investment real estate sectors. The program will be hosted on September 10, 2020.

The panel will discuss a number of key new regulatory changes from the Ohio and U.S. EPA and how these changes impact building use, sale and remediation activities including Due Diligence and Phase I & II Site Assessments.
