4.1.2020

Join Vorys for a complimentary webinar on Wednesday, April 1, 2020 at 12pm (ET). In this webinar, Vorys health care attorneys will discuss common questions about the impact of the coronavirus pandemic on various health care regulatory issues relevant to health care providers, as well as many individuals and businesses outside the health care industry, including:

- Federal and state initiatives addressing shortages in health care practitioners, space, equipment, and supplies;
- Recent regulatory guidance and common operational issues for long-term care and developmental disability providers;
- Health care provisions in Phase III of the federal relief legislation – the Coronavirus Aid, Relief, and Economic Security Act (CARES Act);
- Significant expansion in telemedicine, including relaxation of rules and reimbursement for telemedicine/telehealth services; and
- HIPAA security and privacy implications during the coronavirus pandemic.
