EVENT | 4.24.2023

Carey Jordan, partner in the Vorys Houston office and chair of the intellectual property group, will be joining a presentation at the IP Leadership Executive Summit on April 24-25. The presentation is titled, "Aligning IP with Business Strategy: How to Get a Seat at The Table and What to Do Once You Have Their Attention." They will discuss how corporate heads of IP need a wide range of skills that go far beyond being a talented patent attorney and proving their value and demonstrating how they support the larger purpose of the business is critical.
