EVENT | 11.15.2023

Craig Auge, a partner in the Vorys Columbus office, and Chris LaRocco, an associate in the Vorys Columbus office, will present a webinar on November 15 titled "Powered by AI - What Every Business Needs to Know When Contracting for AI Products and Services." During this webinar, they will share insights and practical tips for negotiating contractual terms on intellectual property, data regulations, performance commitments and risk allocations for generative AI.
