POSTPONED: INTA Roundtable Workshop: Trademark Protection under the Madrid System and Community Trademarks**Related Services**

Intellectual Property
Trademarks

10.30.2012

On October 30, 2012, Vorys attorneys will host a discussion that will be wide ranging and insightful to anyone who currently prosecutes their company's or clients' marks in the OHIM and/or WIPO systems or is contemplating protection of brands in either system.

This Washington, D.C. International Trademark Association's Roundtable Workshop will be held at the Vorys Washington office. For more information and to register, [click here](#).
